4. If the case is dismissed prior to confirmation of a Chapter 13 plan and/or approval of fees for Counsel for the Debtor(s), the Trustee shall retain all Trustee commissions received by the Trustee based upon payments received from the debtor. From the balance remaining on hand with the Trustee, the Trustee shall pay all court-approved fees awarded to Debtor's Attorney for legal services rendered in connection with the Court's Loss Mitigation program ("Loss Mit Fees"). Moreover a fee in the sum of \$2,000 shall be considered the approved fee for legal services rendered in connection with this case ("Case Fees") and said amount shall be paid to the extent any portion of it has not already been received (pre and post petition) from funds on hand with the Chapter 13 Trustee after payment of the Loss Mit Fees. If the full amount of the Loss Mit Fees and Case Fees are not satisfied after the Trustee's disbursements, any unpaid balance may be collected from the Debtor(s). If more than the total of the Loss Mit Fees and the Case Fees were received by Counsel for the Debtor (s) before filing, within ten (10) days of Entry of this Order, Counsel shall either (1) refund all amounts received in excess of the total to the Debtor(s) and file proof of the same with the Court, or (2) file and serve an Application for Compensation for approval of all fees received and sought, as set forth in Paragraph 5 below.

If the fee for the case was a "flat fee" under Administrative Order 12-03 dated June 29, 2012, the Application shall include a narrative of services rendered by the attorney of record and any paraprofessional staff for whom fees are sought, an itemized listing of any expenditures for which reimbursement is sought, and the total amount received by the applicant for services rendered and reimbursement of expenses for this case.
6. The Court retains jurisdiction of this case for the sole purpose of consideration of an Application for Compensation pursuant to paragraph 5 above.
